Federal, State, and Local criminal & sex offender background checks

I understand that due to the fact positions involve working with kids, and at times in high security facilities, Geologic Times Corporation, DBA Mobile Mining Experience is required to complete federal, state, and local criminal and sex offender background checks with fingerprints on all GTC/MME staff. If any history is discovered, the candidate is NOT or is NO LONGER eligible for employment with GTC/MME. Further, some government and high security facilities we run programs and activities for or at may also require additional background checks and signing of non-disclosure agreements.

I have read the above statement, agree to its terms, and I'm unaware of any reasons why submitting too and clearing these background checks would be an issue. Initials: _____
